

**DELHI PUBLIC SCHOOL DAULATPUR  
HOME ASSIGNMENT 1 (SUMMER VACATION) 2020-2021**

**CLASS 5**

---

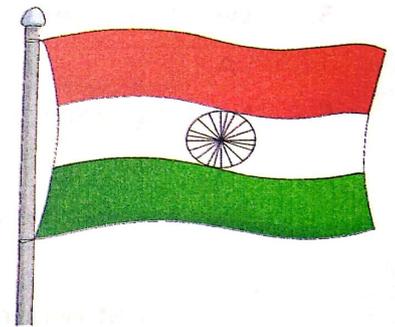

**ENGLISH**

**Q1. Read the passage carefully and answer the questions that follow:**

Our National Flag is called Tricolour. It is rectangular in shape. It is divided equally into three horizontal bands. The top band is saffron in colour. The middle band is white. It has a blue Ashok Chakra in the centre. This Chakra has 24 spokes. The third band at the bottom is green.

The different colours of the flag have different meanings. The saffron colour stands for courage and sacrifice. The white colour stands for peace and the green colour is the symbol of prosperity. Our flag is a symbol of our freedom. The Constituent Assembly approved it on 22nd July, 1947.

The National Flag stands for our unity. A large number of Indians sacrificed their lives to maintain its honour and glory.

**We must respect our National Flag.**

1. What is the name of our National Flag?
2. What is the shape of our National Flag?
3. Into how many horizontal bands is the divided?
4. How many spokes are there in the Ashok Chakra?
5. What message does our National Flag convey?

**Q2. Write a letter to the Principal of our school requesting him/her to provide new furniture for your class room.**

## **ENVIRONMENTAL STUDIES**

Dear students, here are the three activities; out of which you have to perform any one.

### **ACTIVITY 1:**

#### **MAKE A SNAKE PUPPET:**

You can make a snake puppet in many different ways. You can use an old sock or paper cups and also with paper cutting and folding methods. You can follow any of these and make a beautiful snake puppet.

### **ACTIVITY 2:**

#### **MANGO PICKLE ACTIVITY:**

Do you know what a pickle is? Pickle is a preserved form of any eatable (fruits/vegetable) that you want to store for a longer span of time.

We all love mangoes and in these holidays we will try to preserve our favourite raw mango in the form of a pickle.

Taking help of your parents, try to prepare a mango pickle and write down the ingredients that are used in preparing that pickle in your notebook.

### **ACTIVITY 3:**

#### **SEED GERMINATION ACTIVITY:**

Dear students, you all know that a little seed has a potential to produce a large tree. But for that suitable conditions are required.

Take few seeds of Rajma (kidney beans) or Gram and sow them in the a pot having a suitable amount of soil. Place that pot in sunlight and give a generous sprinkle of water twice a day. Observe the pot daily and write down your observations in your notebook.

## **MATHEMATICS**

**Q1-** Write the greatest and smallest 7 digits even number using three digits only:

**Q2-** Solve the following Questions:

1. What number when multiplied by the successor of 69 gives 21000?
2. If 3440 kg of potatoes are put into sacks and each sack holds 80 kg, how many sacks are required?

**Q3.** Learn tables 2 to 20 and revise all the work done in note book.

## हिंदी

- 1- अपने शरीर को हृष्ट-पुष्ट रखने के लिए ग्रीष्मावकाश में आप कौन से पौष्टिक आहार का सेवन करोगे? एक सूची तैयार कीजिए।
- 2- गर्मी के मौसम में मिलने वाले किसी एक फल की विशेषताएं चित्र सहित पाँच वाक्यों में लिखिए।
- 3- आप अपने विद्यालय को स्वच्छ रखने के लिए क्या प्रयास करेंगे? पाँच वाक्यों में लिखिए।

(समस्त कार्य ए-4 शीट पर लिखिए)
