In today's fast-paced world, stress and anxiety have become a part of the daily lives of many, including students. To address this issue and promote physical and mental well-being, the school conducted a rejuvenating yoga session for students of DPS Daulatpur Junior.

All students performed sitting and standing asana, importance of all the asanas were explained simultaneously by Ms. ANNA KORYTOV and she encouraged students to practice regular yoga to remain fit and improve concentration. The most profound aspect of the session was the guided meditation towards the end. With closed eyes and deep, mindful breathing, students were able to experience a moment of inner peace and clarity. It was a valuable reminder of the importance of taking time for self-care in our fast-paced lives. We thank Ms. Anna Korytov for conducting this valuable yoga session for our students

The Diwali function at DPS Daulatpur Junior was a resounding success, filled with joy, vibrant colors, and a strong sense of community. Students, teachers, and parents came together to celebrate the Festival of Lights, and the event was truly memorable.

One of the highlights of the event was the Rangoli making with flowers and colours. Students and their parents displayed their artistic talents by creating intricate and colorful Rangolis. The courtyard was adorned with these beautiful designs, showcasing the creativity and skill of our students. The lantern making activity, wall hanging, diya/candle decoration and thali decoration was a hit among students and parents. They learned the art of crafting decorative lanterns and wall hangings, which added a warm glow to the entire school.

Various fun games and activities were added to the festive spirit. Games like picture dumb charades, tongue twister, laughing game, eye blinking game, musical chairs, identification game and statue game were kept for the parents and students. It was heartening to see the enthusiasm and sportsmanship displayed during these games.

We not only celebrated the festival but also reinforced the importance of unity and cultural heritage in our school community.
